Detailed description of project <a href="http://www.eenvplus.eu">www.eenvplus.eu</a>						Type and scope of services provided		
<p>The aim of this <a href="#">European Commission funded project</a> is to <b>integrate a large amount of environmental data</b> provided by the National/Regional Environmental Agencies and other public and private environmental stakeholders involved. This is necessary to <b>answer to the requests for environmental monitoring and reporting</b> requested by the European, national and local policies.</p> <p>This will be achieved through the <b>harmonisation and integration, within an operational framework, of existing services</b> resulting from previous European initiatives (funded projects, good practices, EU/national/local experiences) and it will allow overcoming of cross-border/languages barriers.</p> <p>eENVplus provides not only the ICT infrastructure but also the <b>documentation and support to ensure delivery of an operational infrastructure</b> and which can become profitable, based on a well-defined organisational model and a tutored training framework.</p>						<p>eEnvironmental Services foreseen:</p> <ul style="list-style-type: none"> <li>• Harmonisation Toolkit</li> <li>• Validation Toolkit</li> <li>• eENVplus metadata Catalogue</li> <li>• Mobile App Support Service</li> <li>• Thesaurus Exploitation Services <ul style="list-style-type: none"> <li>○ Metadata Compilation</li> <li>○ Data Discovery</li> <li>○ Semantic Explorative Search</li> </ul> </li> <li>• Data Access Services <ul style="list-style-type: none"> <li>○ Web Map Service (WMS)</li> <li>○ Web Feature Service (WFS)</li> <li>○ Web Coverage Service (WCS)</li> <li>○ Catalogue Service for Web (CSW)</li> <li>○ Sensor Observation Service (SOS)</li> </ul> </li> <li>• Web Processing Service (WPS)</li> <li>• Orchestration Service</li> <li>• Reporting Service</li> <li>• Crowdsourcing Service</li> <li>• Validation Service</li> <li>• Ingestion Service and Work Flow</li> <li>• Advanced (3D/AR) Visualization Support Service</li> </ul>
