Detailed Description of the Project						Type of services provided		
This is a project involving the coordination of Stakeholders at regional level plus developing the capacities for the INSPIRE Directive implementation in the Southern Europe (Central Greece). EPSILON INTERNATIONAL SA is the project Leader. The project: - Delivers the SDI for the region of Argiroupoly. Spatial Data/ metadata are INSPIRE compliant. Data are available on the www via OGC web Services: WMS (public), WFS/ WCS (authorized users). - Builds GIS enabled s/w applications that support local/ regional Stakeholders in their day-to-day activities (e.g. cadastral & urban planning authority, water supply authority, municipality). - Trains local/ regional Stakeholders on how to operate the SDI in their day-to-day activities. - Raises Awareness on the importance of harmonized SDIs via workshops and demonstrations that address to a wide audience: citizens, scientists etc - Builds capacities at regional level to make sure that the project outcomes will continue. Such capacities are (but not limited to): - documentation/ reporting on SDI Implementation including GIS enabled s/w applications - support and help desk - frequent seminars						<u>SDI/ INSPIRE (in general)</u>: design, implement, test and validate a SDI at regional level i.e. h/w, s/w, Spatial DB, gis enabled applications tailored to the end-user needs. <u>SDI/ INSPIRE: Teaching & Training</u> for local/ regional Stakeholders on the SDI in order to (i) facilitate their day-to-day activities (ii) maintain and enrich harmonized Data Infrastructure. <u>SDI/ INSPIRE: Legislation & Policy</u>: use the SDI as a decision making tool to apply Legislation and policies in Urban Planning, cadastral mapping etc <u>SDI/INSPIRE: Awareness Raising</u> via seminars that address to a wide audience <u>SDI/INSPIRE: Capacity Building</u> <u>SDI/INSPIRE: Land Administration & Cadastral</u>: gis enabled applications for cadastral and urban planning <u>SDI/INSPIRE: Dissemination</u> <u>SDI/INSPIRE: Project Management & Leading</u>: Epsilon is the only contractor and project coordinator
